Pet Safe Seasonal Tips

The holidays are a joyous time to count your blessings—including the health of your pet! Keep your pets safe with these seasonal tips.

- Please remember your pets during the festive season. Lots of celebrations and visitors coming and going, some pets may be overwhelmed. Give them a quiet place where they can relax.
- Ensure you don't feed your pet festive foods.
- Christmas tree – Securely anchor your tree to keep curious pets from knocking it over. Keep glass, breakable or any edible ornaments, tinsel, lights up high out of pets' reach.
- Fireworks – Make sure your pets are kept safe and secure during the New Year's Celebrations. They are easily frightened by the sound of fireworks so having a quiet, secure spot in your home will help them to stay calm and enjoy the festivities too.
- Check your Vet's opening hours during the holiday period.

Happy 2017 from all
the team at **ATT**
